# 3v3 Purpose + Rules

*Bethany Youth's purpose for these tournaments is to advance good sportsmanship, competitive game play, a fun, safe environment, relationship building, and ultimately the gospel of Jesus Christ.*

- 1. THE TEAM:** Each team's roster may have 1 coach, 3 starters, and 2 subs (5-player max). Each team needs to choose a captain. The captain's responsibilities are the following: (1) completing and turning in the team roster, (2.) serving as the team's spokesperson, and (3.) calling heads/tails at the coin toss.
- 2. FREE AGENTS:** Don't have a team? Let David know so he can try to make a free agent team.
- 3. FORMAT:** During the seeding season, each team's goal is to collect season points: W= 2-points; T= 1-point; L=0-points. After the seeding season, the playoff bracket is created. In the playoff bracket, the team with the most season points is the #1 seed, the team with the second most season points is the #2 seed, etc. The #1 seed plays the lowest seed, etc. If a team loses just once in the playoff bracket and the championship game, they're out!
- 4. TIE:** There will be no overtime in the seeding season. If, at the end of seeding season, two teams tie with the same number of season points, the tie is broken by comparing each team's grand game points scored throughout all of seeding season. Only in the playoff bracket does a tie game result in a 1-minute overtime.
- 5. HOME TEAM:** In the seeding season, the home team is determined by the referee's coin flip. The home team gets first possession of the ball and wears the pinnies. In the playoff bracket and championship game, the higher seeded team will be the home team.
- 6. REF CHECK:** The ball will be checked by the referee three different times: (1.) at the start of the game (2.) after every whistle that stops play (including foul shots), and (3.) at the green line after every successful basket. After receiving the ref check, players must first pass before dribbling or shooting.
- 7. CLOCK:** Games in both tournaments will be 8-minutes long with a running clock. Time is kept by the time keeper. The game clock begins immediately once the ref checks the ball to the home team. The clock will stop for only 2 reasons: (1.) The ref whistles a foul in the final 30 seconds of the game, and (2.) the ref's discretion.
- 8. SCORING:** No dunking! Foul shots are worth 1-point. Baskets made inside the 3-point line are worth 2-points. Baskets made outside the 3-point line are worth 3-points (both feet must be outside the line).
- 9. NO MAKE IT TAKE IT:** The ball changes possession after each scored basket (exception: foul shot)
- 10. TAKE IT BACK:** Take the ball back behind the 3-point line after a change in possession. Both feet must be behind the 3-point line.
- 11. FOULS:** All regular basketball rules apply concerning fouls. After all non-shooting fouls, ball possession goes to the team that didn't foul. All shooting-fouls (foul shots) are worth 1-point. After a foul shot, the shooting team maintains possession! All fouls in the final 30-seconds of the game give 2 results to the fouled-against team: (1.) 1-point is awarded, and (2.) a foul shot. The ref has the discretion to bench a player for what he considers a flagrant foul. The benched player must sit for at least 1-minute and cannot come back in until the next play stoppage. A sub may play in place of the benched player.
- 12. REF RESPECT:** Players and fans arguing with the referees will not be tolerated and may result in ejection from the game, disqualification from the tournament, or dismissal from Bethany's property.
- 13. TIME OUTS:** There are no time outs.
